Local Students to Take on Duties of Kewaunee County's Elected Officials

KEWAUNEE, WI – On Wednesday, May 3rd, a pre-selected group of 21 high school students, accompanied by three teachers from Algoma, Kewaunee and Luxemburg School Districts will take on the roles of Kewaunee County's nine elected officials for the 53rd annual "Youth Government Day" in Kewaunee County.

The program is designed to teach students about the inner workings of local government and encourage them to become well-informed and active citizens of the community.

Throughout the course of the day, elected officials will provide insight on their roles, as they give up their responsibilities to the students. "It's neat for the kids to get elected into our positions to see what we do," said Jamie Annoye, Kewaunee County Clerk.

A list of scheduled activities includes, the students taking an oath of office, touring the Kewaunee County Administration Center, Kewaunee County Sheriff's Department, Kewaunee County Jail Museum and Kewaunee County Courthouse, before participating in a mock trial.
